Dear Parents/Carers, Firstly well done to Year 6 for getting through their SATS week so positively. Everyone was really impressed with the way they all kept calm, knuckled down to the tests and gave their very best. Thanks especially to Miss Paine, Mrs Alexander and Mrs Jones for all of their hard work in preparing the children and to Miss Puxley and Mrs Saunders for their intervention work too. I also want to thank our Governors / CPS Supporters who acted as monitors to ensure we carried our procedures correctly - these were Robin Cowen, Don Garman and Marian Saunders. Results are not expected until July so focus for Tresillian Class will now turn to transition to secondary school and enjoying their last few months at Constantine. With the Isles of Scilly camp, school play and sports day on the horizon there is lots to look forward to. Best wishes, Helen Bancroft

My ones digit is double my tens digit.

My digits add up to an even number.

NO FIDGET SPINNERS IN SCHOOL PLEASE!

SCHOOL BANK: Please can I remind everyone to use our school bank to pay for trips. Each child has an account and they are able to come to the bank from 8:40am every Tuesday morning. Those families who pay in a little each week find it much less of a burden when school trips come around. We have an excellent team of enthusiastic bankers who would be delighted with some more customers.

SAILING: Sailing is on Monday; please make sure you have a wetsuit, wetsuit boots/shoes, towel and dry clothes. The drivers for Monday 15 May are: Tony Archard, Dan Gibson, Holly Campbell, Sorcha Hitchcox, Verena Newton, Zoe Freeman, Len Cheshire, Cathy Drewett and Russ Johnston. Many thanks for your help.

KENWYN CLASS (Y4) A permission slip has been issued today for the summer term trips we have planned (x3). To save paperwork we have put all the visits on one form. There is a tear off slip at the bottom for you to keep so you have a copy of what visit is on what day and what the children will need to bring. There will be additional reminders also. There is a £20 donation to cover all entry and transport fees. We are sending this out now, even though the visits are not until June so you can use the school bank and help spread the cost from next week.

MATHLETICS:

Well done this week to the following:

Layla Wilkinson	Lerryn 1520
Sasha Key	Helford 1390

TRESILLIAN AND HELFDOR CLASSES: These two classes are going on a trip to Geevor Mine on Monday morning. All children will need to be in school for **8.20am** for an early start by coach. They will be back by 3.15pm. Please remember your packed lunch, water bottles, long trousers, warm waterproof coat and suitable footwear (i.e. trainers or walking boots).

BOWLING TEAM: Mr Wild will be taking his bowling team to the Regional Finals on Friday 26 May. Permission slips will be sent out shortly with all the details on.

VIOLIN LESSONS: As a lot of children will be out on Tuesday with the choir there will be no violin lessons on Tuesday 16 May.

SPORT: Swimathon: Well done to all our swimmers in Y4/5 who were awarded with their certificates today in assembly for their epic swims last week. Distances for individuals ranged from 200m to 1350m in 24 minutes swimming time. Everyone met or exceeded their previous swim distances, which is fantastic. We still have some sponsor money to collect and hope this will be with us by Monday so we can let you all know the final figure raised.

Quad Kids: We have entered two of these events, one for Y5/6 (Friday 19 May) and one for Y3/4 (Wednesday 24 May). Both events are at Carn Brea and take place from 10am until 12pm. You are welcome to come and watch/cheer/support our teams although transport for both is via mini bus or staff cars. We still have some forms to come in for this and hope they are returned by Monday as without them the children cannot attend. So good luck to our Y5/6 team who will compete next Friday: Sarah, Edward, Alexandra, Eiger, Gracie, Kaiden Olivia W and Barney CG.

PSHE: As part of our rolling programme for personal, social and health education this term, ALL classes will be looking at relationships education. As the children move up through the school, and in particular in KS2, this includes changes to our bodies as we grow, puberty, adolescence, adulthood and reproduction. This takes place every year and is no different to previous years in terms of the outline planning. This can be found on our website under the PSHE tab in 'What We Learn' section. Although, this is only a brief overview of what is taught, if you would like more information then please see your class teacher who can share any materials and discuss the lesson in more details if required.

COTTAGE GARDEN SOCIETY SHOW

This is on 15 July at the Recreation Field. Each class will be entering children's work, however if a child wishes to enter individually he/she will need to complete an entry form which are available from Constantine Spar and Constantine Stores.

Y4 Part of our PSHE this half term is a scooter safety course and we will need scooters in school to complete the unit of work. If your child is in Y4 and has a scooter could they please bring it in on Thursdays for the rest of this half term (and maybe one week after). The children will all need a helmet too as we will move out of the playground and onto the pavements just outside of school. I will of course remind the children each Wednesday to bring them in if they can but a helpful nudge from home would be great too. Many thanks.

We move onto sea safety (see our visits form) and relationships education before the school is out in July.
