Dear Parents/Carers, This will be our last newsletter before we break up for the summer. It has been a most wonderful and successful term with so much to celebrate.

Lerryn Class's Bambi was a triumph. The children had a fabulous time and I can't thank Charlotte Massey enough for the energy and enthusiasm she gave to putting this performance together. Thanks also to Rosie Bayfield for the costumes, Frances Midson for the scenery, Rob Norman as pianist and Mr Anjari and Mrs Moyle for in class support.

In addition to the Cottage Garden Society Show on Saturday afternoon please can I remind you of Brass on the Grass at 7pm in the marquee on the recreation field. Children from KS1 and 2 are performing - in fact they are the main event! Please support them - many thanks to Mrs Churchley and Mrs Micklem for giving up their time to orchestrate yet another opportunity for our children.

Next week we look forward to our main Key Stage 2 drama event taking place on Monday and Tuesday evening at the Tolmen. This is always a lovely finale for Year 6 so I do hope you can make it. Thanks again to Mrs Churchley for the effort she has put into this - I know it will be a night to remember and a memory for the children for the rest of their lives.

Another very special event not to be missed is Year 6 Leaver's assembly. This will be at 1:15 on Thursday. Please come along to wish them well as they take the next important step on their life journey. At this juncture we are also saying farewell and thank you to Mr Denham who comes to the end of his contract with us. We wish him the very best for his future career.

So finally, a huge thank you to you all for your support throughout the year. I wish you a wonderful summer and look forward to seeing most of you on Wednesday 7th September. To Year 6- I wish them happiness and success. We'll miss them and will always welcome them back for visits where we look forward to hearing about their exciting new lives in secondary school. Happy holidays everyone, Helen Bancroft

LERRYN CLASS

Thanks to Parents and friends of the school for supporting Bambi with such enthusiasm on Monday. If you would like a copy of a video of the performance please bring a *new* memory stick. This is to minimise the transfer of computer viruses.

We have been making jumping jitterbugs this week in Design Technology. Your child is welcome to take their creation home if they wish, and kindly bring in £1.50 to cover the cost of materials.

MATHLETICS

It has been a great year for Mathletics, and our first full academic year using the software. While many classes use the activities in class, the opportunity to improve mathematical fluency and confidence at home is a big reason for why we invest in it. As a school we have earned a whopping 1 213 316 points since September 2015. Congratulations all of you for such a superb total and I wonder if we can beat it next year? Well done to everyone in Years 2, 3, 4, 5 and 6 because all of you added to the total. Here are the top two Mathletes in each class:

LERRYN Isabel Mullaly 25 268, Charlie Morgado 23 502

HELTFORD Mason Brown 15 124, Lilah Hitchcox-Wrapson 14, 856

KENWYN Leo Dey 22 428, Cian Mossop 16 834

TAMAR Harry Drewett 83 867, Andrew Roberts 44 628

TRESILLIAN Marley Addison 8 987, Maisie Drewett 7 873

If you have any questions about Mathletics, please don't hesitate to speak to Mr Anjari.
