Dear Parents/Carers, Kenwyn Class started the week with a very special event - BBC Spotlight came to film their work on e-bug. It was a fascinating process and a great first hand view of how a news article is filmed. The children were amazing and the TV team commented on their exemplary behaviour. Well done to Maisie from Y6 who was also presented with her e-bug design made into a cuddly toy. This design will be used as the logo for the project so it is a huge honour and will be seen nationally. I was told yesterday that owing to the Devon County Show coverage the film should be broadcast on Monday 23rd. Needless to say that was incorrect and they broadcast a very short snippet yesterday evening. The later edition of the show had a longer item. If you didn't catch it you can download footage from the BBC Spotlight website. Apparently we have also had some great publicity on Radio Cornwall this morning. It is wonderful that our school has participated in such an important current affairs issue.

Thank you to everyone who wore non-uniform and so generously donated a prize for the tombola at the Queen's Birthday tea on June 10th. It promises to be a wonderful event. Please let me know if you can help with a stall. Thank you also to the group of Mums who met at the Trengilly Wartha this week to put some fundraising into action and especially to Ellie James for organising this. There are some great events in the planning stage to help us raise some money for new play equipment. Please keep a close eye on the newsletter to see what is going on. Helen Bancroft.

Y3/4 CAMP: We go on Wednesday next week and the children are very excited in school. They have been asking lots of questions and I know many have packed their bags already. The only thing left for these children to do then is bake their cup cakes/buns and turn up ready to go on Wednesday at 8.15am. Please bring the buns in a named, airtight container - these will help fuel the children between meals as they will be very active. On arrival at school on Wednesday any medication must be named and be handed to Mrs Churchley with any extra instructions if they are different to what is already written on the information you have given us. Please ensure sun cream has been applied and is in day bags and suitable clothing is worn in case it turns cold or wet. Huge thanks to the following parents who have all offered the use of their tents: Chapman-Gardner, Davison, Campbell, Turner, Bailey, Kimber-James, Scrimshaw, and James. Those of you who are pitching tents for us will have been sent an information sheet suggesting where to position the tents. We can't just put them all over the field as we have archery taking place on Friday morning and we must leave space for this. If anyone has still not paid the remaining balance, please do so before Wednesday. If you have any questions, then please see Mrs G or Mrs Bidgood on Monday or Tuesday in school.

SPORTS

Y3/4 Swimming: Unfortunately we have had some bad news regarding the pool at Culdrose as it will be closing in June for some essential maintenance. We will try to fit more session in for this class early in the Autumn term or give them longer in the pool when they are in Y4 so they don't miss out. However, this work must be done so we can continue using this wonderful facility in the future. If you have already paid your child's swimming money for all the weeks we were expecting to go then you will be reimbursed shortly.

Swimathon 2016: Huge thanks to all the children who raised and collected sponsor money following their epic swims back in April. Altogether a total of £637.20 was raised which is fantastic. A special well done to Jack R, Alexandra and Maya who raised the most money. The effort from you all was amazing as every single penny helps. All this money will be split and some will help pay for camp hoodies (Y5) and camp caps (Y4) as well as fund new equipment for the play leaders shed. Our play leaders in Y6 lead and organise lunchtime games and their equipment is in desperate need of repair or replacement. The play leaders themselves will source, order and organise the new stock and equipment once it arrives and all children will benefit from this. Well done everyone.

Quad Kids: Today eight children from years 5 & 6 represented us at the annual Quad Kids Athletics event at Carn Brea. Good luck Noah, Jessica, Sarah, Jude, Leandros, Eiger, Olivia, Grace and thanks to Sara, and Chris W for driving. We look forward to hearing how they all got on next week.

MAY HALF TERM: Sporting World will be running holiday courses at Cornwall College on the following dates: KS1 & KS2 - Thurs 2 June 9am-3pm. In addition to specific skills and techniques, sessions will cover the basics of agility, balance, coordination, speed and spatial awareness using a variety of sports but most of all focussing on FUN. For just £10 a day. Book bambi.lou@hotmail.co.uk, tel 07570 988 030.
