I find the school website useful.	82%	12%	2%	4%

Would you recommend Constantine Primary School to another parent? 50/51 responses said YES

We are delighted with the responses from this survey as they are always a useful focus to further develop our provision. This year's 'Agree and Strongly' agree percentages are all improved on last year. Particular areas that were addressed were:

Governance: 'Governor at the Gate' - this initiative has been a success with a Governor endeavouring to stand with the Headteacher every morning to greet our families. Governors also have badges to wear around school ensuring the children know who they are.

Website: We have tried to make certain areas of the website less cluttered. Almost 100% of new families visiting our school comment on how they love the site and how it really reflects the opportunities we offer.

This year we will continue to ensure that essential information is easy to access on the website and that more details are given in the prospectus area for new starters.

Some people commented that they hadn't seen termly Class Newsletters. Each child is given a paper copy but we will endeavour to ensure they are on the Class area of the website alongside the homework grids.

We are always vigilant about our safeguarding responsibility and will look again at the security of our site at the front although we cannot lock the front access gate.

Thank you for all of your constructive feedback.

Helen Bancroft
