

## Summer Term Curricular Letter

### Cober Class

#### Wonderful Woods and Fabulous Forests!

Cober Class are taking their studies deep into the rainforests of India where they will make in-depth studies of these beautiful creatures. They will study the geography and climate of India and compare it to our climate and seasons here. They will also compare its location to the location of other rainforests. The children will look at a range of rainforest creatures and begin to sort and classify them. Art will be linked to camouflage with animal masks for role play and contrasted with vibrant rangoli patterns and prints.

For maths we follow the 2014 National Curriculum - details can be found on our website.

In RE we follow the Cornwall Agreed Syllabus.
