AFRICA

Africa is full of animals such as the **Rufous Sengi** or the famous Lions and Tigers.

The world is full of animals but none is more amazing than any African animal.

Africa is the
Second biggest
continent in the world!
The biggest is **Asia!**

5 Facts about

BOTSWANA

- 1) The capital of **Botswana** is **Gaborone**.
- 2) Most people believe in Jesus and God.
- 3) Some of them speak English!
And the rest speak **Setswana**.
- 4) Their Doctors are very clever and can cure lots of diseases .
- 5) Their currency is the **Pula** , Pula means rain in **Setswana**.

ENVIRONMENT

The people of **Botswana** have to dig holes and pump water out (be aware that they have to dig their holes themselves) 70% of the country is a desert and when it rains the water finds its way into the ground.

Fires and Sandstorms happen a lot. Fires are normally caused by humans or occasionally lightning after the rainy season.

LANDSCAPE

Botswana's desert
(Kalahari)
covers 70%
of the country.

Botswana is a
Flat country
and there are
only 4 rivers in
the whole country
